Esthetic and Functional POSTERIOR RESTORATIONS in the Daily Practice with Dr. Francesco Simoni

The course will teach how to make happy patients creating functional restorations using biocompatible composite. Join Dr. Francesco Simoni to learn a simplified approach for achieving esthetic and functional restorations in posterior regions and discover how you can offer to your patients an innovative treatment with biocompatible composite. From the adhesive phases to the stratification of the composite and the polishing procedures, you will learn a predictable, simple technique that will allow to get amazing results in the daily practice. All the phases will be illustrated with the help of videos that will allow the participants to understand and memorize the technique.

Each participant will received a FREE syringe of Bio Function composite (after the course)

YOU WILL LEARN:

- How to market your practice and gain new patients with biocompatible composite
- How to get a reliable bonding phase
- How to use of biocompatible dentine bodies and enamels in posterior restorations
- How to obtain an excellent polished surface with few steps

WHO SHOULD ATTEND THIS COURSE:

General Esthetic Dentists that want to improve the quality of their restorative procedures

Dr. Francesco Simoni graduated with honors in Dentistry from Pisa University, Italy in 2005. He is the co-author of the chapter 'Non Surgical Periodontal Therapy' in Dr. Giano Ricci's book *Diagnosis and Periodontal Therapy*, published by Quintessence. He is co-authored with Dr. Lorenzo Vanini the chapter 'Elements of Restorative Dentistry and Assistant Techniques' in Dr. Paride Zappavigna's book *Manual for the Dental Assistant*, published by Ariesdue. He has authored numerous publications in national and international journals. He is an active member of the Italian Academy of Esthetic Dentistry (IAED), the Italian Society of Conservative Dentistry (SIDOC) and is an affiliate of the European Academy of Esthetic Dentistry (EAED). He lectures abroad teaching practical and theoretical courses in esthetic dentistry. He has a private practice in Lido di Camaiore (It) and also practices in the private practices of Lorenzo Vanini in Chiasso (Ch).
